Prayer for the Cause of
Theresa of the Forgotten

“Merciful Lord,
you filled the heart of Terri Schindler Schiavo
with a spirit of profound sacrifice for love of
neighbor. She became a holocaust offered to
your Heart for the end of the culture of death.
Through her excruciating agony and death,
we plead for a change of heart in all who have
compromised or failed the cause of life.

In life Terri would say,
‘Where there is life, there is hope.’
Bring hope to my cause that seems hopeless.
May I have unbounded trust in Jesus, Most
Merciful (here mention your petition).

Be mindful of Terri’s sacrifice of love
as I offer this prayer to your glory,
and confident of your help.
Amen.”
